To,
The CSR Head,
TM International Logistics Limited
Kolkata, West Bengal.

Subject: Request for CSR Support for Establishment of 1 Mini Science Centres (MSCs) in Odisha.

Respected Sir/Madam,

Greetings from **Seva Sahayog Foundation!!!**

Seva Sahayog Foundation is a registered non-profit organization working towards strengthening access to quality education, scientific temper, and experiential learning opportunities for children from underserved and remote regions of India. Our initiatives focus on improving learning outcomes through infrastructure support, teacher capacity building, and innovative STEM-based interventions in government and low-resource schools.

With a view to promoting scientific curiosity and hands-on learning among school children in aspirational regions, we propose to establish **1 Mini Science Centres (MSCs)** in selected government schools in **Odisha**. These centres will provide interactive science models, activity-based learning tools, and structured demonstrations aligned with the school curriculum, enabling students to learn science through observation, experimentation, and inquiry.

Mini Science Centre (MSC):

The MSC program aims to nurture scientific curiosity and foundational understanding among students through interactive models and hands-on learning. The centres are supported by a comprehensive Teacher Training Program (TTP) that enhances teaching pedagogy, enabling educators to deliver effective and engaging science education.

We seek your esteemed organization's support under **Corporate Social Responsibility (CSR)** to implement this initiative. Your partnership will play a vital role in empowering students in Jammu & Kashmir with quality STEM education and contribute meaningfully to national education and development goals.

Thank you for your time and support.

Abhinandan Sah

Sr. Manager Project

Pune Office: Pathik, 18, Vrindavan Society, Near Shree Shree Ravishankar School,
Mhatre Bridge, Navi Peth, Pune – 411030. Tel. 020-24537655
