3. You shall submit a report which shall contain the description of the activities undertaken, fund utilization report, impact reports and few photographs of the activities.
4. Inspection by the Corporation shall be carried out as and when deemed necessary.

We have received a request from "Govt. High School, Khandagiri" for setting up a Mini Science Center in their school, copy of which is enclosed for your reference. Further, we are in the process of identifying another school where your assistance will be required for setting up a Mini Science Center and the same will be communicated to you shortly.

In this regard, you are requested to procure articles/equipment and make necessary arrangement for setting up Mini Science Center within the approved CSR funding of Rs 10.00 Lakhs. After implementation of the same, you are requested to submit necessary documents in support of the implementation of the said CSR Projects.

Thanking You.

Yours' Sincerely,

Financial Advisor

OFFICE OF THE HEADMASTER

GOVT HIGH SCHOOL, KHANDAGIRI

Letter No :-

Date: 10.03.2025

To
The Chairman cum Managing Director
The Odisha Police Housing & Welfare Corporation Ltd.
Bhoi Nagar, Bhubaneswar.

Dear Sir,

Sub: Request for setting up Mini Science Center in our School out of your CSR Funds

We are writing to respectfully request you for setting up a Mini Science Center at our school, Govt. High School, Khandagiri, Bhubaneswar, under your corporation's Corporate Social Responsibility (CSR) initiative.

We would like to convey you that our school has been providing quality education to almost one thousand students mostly coming from economically weaker section of the society since 1991. We strive to create a conducive learning environment that fosters curiosity, creativity, and critical thinking. However, we lack the necessary resources to provide our students with hands-on science education.

In view of the above, we strongly believe that setting up a Mini Science Centre shall provide students with a platform to explore and learn science concepts through interactive exhibits and experiments. Further, it will also encourage students to pursue careers in science, technology, engineering, and mathematics (STEM).

We trust that this project aligns with your Corporation's CSR goals and values. We would be grateful if you could consider our request and support us in setting up a Mini Science Center that will benefit our students and the wider community.

Looking forward for your kind consideration on the matter please.

Thanking You

Yours Sincerely,

10/03/2025
GOVT HIGH SCHOOL
Khandagiri, Bhubaneswar
