Hi Akansha,

We have received approvals on the PR yesterday, PO is getting created. I'm constantly in touch with our team. But I request you to initiate the work without much ado to ensure we close this by 31st March. I'm pushing our team to release PO as early as possible.

Hi Akansha,

Thank you for acknowledging the email.

We have moved the teachers training component of the budget to next year. Since teachers training would not be possible to carry out this financial year due to exams and vacations. We plan to release a PR/PO in April towards teachers training, AMC, and M&E.

Hope this helps.

Please consider this as a confirmation and initiate the work for these 12 MSC.

Thank you,

Preethi
