Respected Udit Ji ,

Firstly thank you for meeting me and sharing your valuable inputs.

It is good to know your keen on working towards development in education.

I must say we had a very informative and knowledge sharing discussion and valuable inputs from you.

STEM Learning is India's leading CSR implementing partner, armed with a mission to change the way education is being taught in rural and urban schools.

So far through our CSR programs, we have impacted the lives of millions + students and more than 12500 teachers in 2500+ schools. In the last 12 years, we have reached 28 states.

Our CSR programs are sustainable and can reform science and mathematics education systems while igniting scientific temper among students.

Mini Science Centre (MSC) is a prerequisite for teaching Science and Mathematics to school children in a simpler way. It is innovative and interactive with a hands-on approach to facilitate the learning process.

Also we intend to provide you a walkthrough in our Mini Science Centre established school in your region for a better understanding of our programme.**Seeking your positive response in regard to the implementation of this project for a noble cause.**

Subject: Revised Payment Terms for Mini Science Centre Project

Dear Sir,

I hope this message finds you well.

We truly appreciate the opportunity to work with you, and we remain committed to delivering high-quality results that align with your expectations.

As part of our ongoing efforts to maintain transparency and ensure the smooth progress of the project, we would like to inform you of a revision to the payment terms. After reviewing the scope and resource requirements, we believe these adjustments will support the timely and efficient completion of the work.

Revised Payment Terms:

Instalment	Milestone to be achieved	Amount
60 % (1st)	Advance on Work order	₹ 3,39,840.00
30 % (2nd)	After Installation & FTTP	₹ 1,69,920.00
10 % (3rd)	After completion of all Project deliverables	₹ 56,640.00

These changes are being made to better reflect the workflow and to support ongoing resource allocation throughout the project phases. We trust these terms remain fair and manageable and are open to discussing any questions or concerns you may have.

Thank you again for your continued trust and partnership.
